After-School Care Scholarship

The Nurturing Center is excited to be offering \$300 child care scholarships specifically for after school care within Flathead County. We are able to offer this scholarship because of the generous donations through Whitefish Community Foundation-Great Fish Challenge. These funds can be used towards structured after school care programs for children in Kindergarten through 5th grade. **If the application is accepted, the funds will be directly paid to the chosen program.** The Nurturing Center will award 1 scholarship per child. There are limited funds and this opportunity is time sensitive. Once your application is received, we may contact you for additional information. **Proof of employment is required via paystub or phone call to your employer.** If we are unable to contact you or verify your employment, your application may be denied. All documentation must be submitted by September 25th, 2021.
