

# THANKSGIVING FOOD DISTRIBUTION SCHEDULE

Please take note of the schedule changes below, and when Thanksgiving food will be distributed. The week of Thanksgiving we will close the Whitefish grocery store and distribute all food in pre-packed boxes through Grab and Go. We will reopen the grocery store the following week for normal hours.

In addition to some weekly groceries, we are working hard to provide the following items to all households for Thanksgiving: turkey (large and small depending on household size), stuffing, gravy, cranberry sauce, celery, carrots, onions, potatoes, green beans, pie filling, pie crust, butter, milk, and small packages of flour, sugar, brown sugar, and salt.

Customers who visit the Trego mobile pantry might see varied but similar Thanksgiving-style food items. Boxes for these sites are provided by the Montana Food Bank Network.
