

How to craft a testimony

1. Frame your story: "Mrs. Chair, members of the committee, my name is Tirza Asbell spelled A-S-B-E-L-L, and I'm here to support Medicaid Expansion."
2. Share your story: Why do you support Medicaid Expansion, and what is your personal experience with it?
3. Restate your most important point: "Because I qualified for Medicaid under the expansion, I was able to treat my illness early, and return to my life."
4. Share your ask: "I urge the committee to vote yes and lift the sunset permanently."
5. Thank the committee: "Thank you Mrs. Chair and committee." You can offer to be available for questions, or ask to leave.
